00:38:01 Michael Mansfield Room 3, please.: Laurie, CDE and CCTC I believe.

00:38:28 williamvasey: Advice from a K-12 Superintendent: The news changes daily/weekly: We will not make a decision prior to the week of July 20-24 on whether to be online or in person or hybrid.

00:41:28 Sharon Chard-Yaron: Hi/ anyone see the option to save chat? I don't see it.

00:42:09 Shelley Hart: Chico State: @Sharon, they must have disabled it in the settings as they set up the meeting...?

00:42:15 Shelley Hart: Chico State: I don't see it either

00:42:26 Megan Kaplinsky: During the three scenarios for fieldwork shared today, please feel free to post a question for the presenter in the chat.

00:42:46 Renee Marshall: Sharon- there should be a file link on the right hand side. I can see it on my screen. Maybe only the co-hosts have the option since the Zoom update happened today. We save the chat. If you want any of it, please let us know.

00:43:14 Alice Hale Room 3: Where are you getting the videos classrooms for observations?

00:43:47 Valerie Ambrose--#2: Yes, I would love some good resources for good videos of classroom practice. That has been really challenging.

00:43:48 Renee Marshall: How many EDU faculty on this chat also teach K-12?

00:43:49 Megan Kaplinsky: Jennifer Paris has created a video list that can be added to https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fdrive.google.com%2fopen%3fid%3d1EzwvpIltjyVa44Nev1-IvV3Pua-Fj5QHGoMd5rQmeCs&c=E,1,LgKnx25UFCReJtj8RyVjIBZ4GDNAjDH6QeUSFvbJRdyQpo0nU1B2aVfE-VX9GZRZulPDAeBFDONr0RgcsblNr4WcagfDTv2_cu2358UP&typo=1

00:44:00 Gina Peterson: Using Swivls

00:44:05 Megan Kaplinsky: This is also linked to the CCCTPP website

00:44:28 Rosemary Wrenn, rm 2: Yay - glad to see folx can use that document for these observations!

00:44:40 Jennifer Paris: And if you have videos that should be added, please send them to me Jennifer.Paris@canyons.edu

00:44:50 Monica Alexander: Will the whole class watch the student lesson? How long is the lesson? No student in the video?

00:44:51 Megan Kaplinsky: Thanks, Jennifer

00:45:16 Rosemary Wrenn, rm 2: I'll keep adding to that lesson document as I find them

00:45:21 Monica Alexander: I mean no kids in the student lesson?

00:45:58 Rojas Leticia: Could you just have students who don't want to be videotaped turn off videos for that specific activity/lesson?

00:46:09 Sarah Burnett: Just like they do for capturing TPA videos?

00:46:31 Jennifer Paris: As Gina mentioned, we are hoping to use swivls (if there are live classrooms to record).

00:46:32 Sarah Burnett: Have a child wear a go pro and sit on the front row

00:48:46 Sarah Burnett: Children will have masks on so we won't see their faces anyway

00:48:48 Megan Kaplinsky: I love the idea Michael shared about having students attend Board Meetings and PTA Meetings virtually

00:50:09 Kim Sakamoto #3: One observation resource is the Teaching Channel
https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fwww.teachingchannel.com%2f&c=E,1,RQmG_dUORLO5-Nb58MzFU9aGo87Q2SmUhwPLIo0f9Qy01XvwrXahIH43TZWwVFHtTIIpT90UobbCY6MAlsInaKAfq01Ppv689VJUzgzgJJ24,&typo=1

00:50:37 Renee Marshall: Thanks Kim! Great resource!

00:51:20 Laurie A Campbell: At the Community College level, as we make changes to the curriculum/fieldwork for this class do we need to have an MOU with our local CSU?

00:54:12 Kimberly Rosenfeld: My Choice is Breakout room #2 Brainstorming

00:54:50 Monica Alexander: teaching channel charges. Does the college pay or the students?

00:55:12 Kim Barker: Thank you Jennifer Paris!

00:55:25 Megan Kaplinsky: I believe the first 3 are free to view. The document by Jennifer Paris has a variety of resources/sites.

00:57:08 williamvasey: #2 please

00:58:55 kathleenwhite: We may not be opening schools in August I am afraid...at least not in the counties that have bad numbers..

00:59:00 Renee Marshall: I agree Kath

01:00:02 Kim Barker: That is such a fantastic idea Michael Wickert.

01:01:22 Kim Barker: So many of those experiences help build a strong infrastructure in understanding the home-school connection.

01:01:26 Oona Fontanella-Nothom: Yes, thank you for emphasizing the importance and value of student voice and perspective.

01:01:33 kathleenwhite: Great presenters and perspectives! Thank you all!

01:02:39 Rojas Leticia: I appreciate that your school is taking on those issues

01:02:44 Kim Barker: Trauma on top of trauma.

01:03:05 #2 - Melanie Levy: thank you for bringing this to the surface! so valuable, michael!

01:03:47 Kim Barker: Thank you Shannon, Michael M. and Michael W. Such great insight!

01:04:07 Steve Bautista: Hi All - this is Steve Bautista from Santa Ana College and a board member with ACCCTEP. One of the follow up items with Marquita from the CSU Chancellors Office that we discussed was that ACCCTEP will provide a document that will disseminate guidelines from all the CSU campus Colleges of Ed. This will include how required modifications to fieldwork hours will be accepted as part of the CID EDUC 200 articulated courses. And how these modified experiences will impact the student's future ability to apply to a CSU Credential program. Hopefully, a combined response from CSU to these common CC campus issues, will prevent confusion and provide a tool to disseminate critical information to the field. We are waiting to hear from the CTC at their August meeting, where some of this will be addressed.

01:04:34 Megan Kaplinsky: This is fantastic

01:04:45 Kathleen Boddicker: GREAT! Thank you, Steve!

01:05:04 Shannon Turmon: Yes, thank you, Steve!

01:05:23 Janis Perry: Wow, so many great ideas on how to give our students activities that apply to an educational environment. Just remember, EDUC 200 C-ID requires 45 hours with a credentialed teacher in an elementary classroom setting. We have to hold to that specific experience until CTC and CSU tells us something different. Then we need to see how any "temporary changes" or flexibilities impact the EDUC C-ID designation and the faith that CSU has that there is a minimum standard for each EDUC 200 C-ID courses.

01:05:33 Michael Mansfield Room 3, please.: I was in a meeting where people were discussing using their campus' Service Learning

program instead of an MOU because our students are medically covered liability-wise through our college.

- 01:05:39 Naomi Castro - room 2: We don't have MOUs - we have a super small program. But looking to grow we would like to create some
- 01:06:02 Michael Wickert SWC: We also use Service Learning at Southwestern College
- 01:06:17 kathleenwhite: Thank you Steve! Looking forward to everyone participating in the ACCCTEP professional development opportunities. We need all the help and support we can garner right now... thanks Steve!
- 01:06:21 Nancy Hurlbut: We at the csu are required to have an MOU with any sites we work with - takes forever to do - we use service learning and credential
- 01:06:53 Kim Sakamoto #3: Teaching Channel. I've paid for my own subscription and can find out about an organizational for CCCTPP or institutional subscriptions for your college if you're interested. Let me know and I'll be glad to follow up.
- 01:07:13 kathleenwhite: Several of us on the call are on the ACCCTEP Board... feel free to contact any of us as well!
- 01:07:22 Michael Wickert SWC: One thing I really like about the CCCTPP and ACCCTEP is that we work together across systems to ensure that resources and ideas are shared. Both are really great to be part of
- 01:07:46 Rojas Leticia: Thank you Steve!
- 01:08:03 kathleenwhite: File is available...
- 01:08:22 #2 - Melanie Levy: file is to upload a file to the chat but not get a copy of the chat...correct?
- 01:08:32 Shelley Hart: Chico State: There it is!
- 01:08:49 Kristina Brower: 2 please
- 01:08:50 kathleenwhite: Work experience is also a mechanism for providing college credit and classroom support for field experience in schools..
- 01:08:51 Janis Perry: I serve as the Lead Primary Reviewer for the EDUC 200 C-ID process and am happy to receive questions individually regarding any changes that may be outside of what CSU/CTC is recommending. ACCCTEP will be holding a professional development workshop on this topic and fieldwork suggestions by CSU Leadership and Faculty. Watc for Save the Date for August perry_janis@sccollege.
- 01:09:24 Becky Roth: I will take #2:)
- 01:09:40 Janis Perry: Shannon, please move me to #3
- 01:10:58 Oona Fontanella-Nothom: Could I be in #2?
- 01:11:11 Jihan Ejan: can i be moved to #1 ?
- 01:11:32 Megan Kaplinsky: Message Shannon for a change of room

01:14:18 Megan Kaplinsky: If I miss your hand raise, please feel to jump in to our discussion

01:17:10 #2 -Victoria Rioux, College of the Sequoias: Can anyone share more information/link about the liability form that was shared briefly at the start of the meeting?

01:18:42 Kristina Brower: Yes, and many county programs will pay paraprofessionals to continue education to become teachers.

01:20:31 Naomi Castro - room 2: Good point Kathleen - online access is even more intrusive and students could really need some extra support

01:20:41 Hoa Pham: Yes, can you please share the link again for the Liability form again? Thank you!

01:20:50 Monica Alexander: Great point Kathleen! Etiquette guidelines is important!

01:20:51 Rojas Leticia: That's a great idea

01:21:08 Megan Kaplinsky: All resources shared today will be soon uploaded or linked to the CCCTPP website

01:21:45 Hoa Pham: Thank you! I'll go to the CCCTPP website--- thanks!

01:24:31 Kathleen Boddicker: I think counting those hours with teacher verification should be fine!

01:25:25 kathleenwhite: We need to be flexible - parents are very valuable future teacher recruits...so "counting" those hours with a credentialed teacher makes sense!

01:27:29 Christina Smith: I am not sure where the raise your hand is. I have a clarifying question.

01:28:32 Kathleen Boddicker: Great distinction, Laurie!! C&C would be great! Also, ZOOM has a feature that prevents people in meetings from taking screen shots.

01:28:58 Laurie A Campbell: lcampbell@occ.cccd.edu

01:30:00 Kim Sakamoto: Resource: In addition to K-12 district policies and procedure, the International Society for Technology in Education (ISTE) has tech standards for students, educators and ed leaders.

01:30:39 Kim Sakamoto:
https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fwww.iste.org%2fstandards&c=E,1,1NH5KzRT2ABxidZ800nAwXHIFZF4AdR3iUjjRVrLP C5HoSZiNn76qdvE3GSG9IV2dC3HeEHRFq_FRB-avYs3plJf2dHVO93Vj4A2u7n7E6xv&typo=1

01:31:13 Megan Kaplinsky: Great resource!

01:32:05 Valerie Ambrose--#2: Thanks, Janis. That's what we need is guidance from CTC and CSU.

01:34:03 Michael Wickert SWC: Another consideration about the 45 hours of fieldwork is how alternate fieldwork experiences might affect students who plan to go into the ITEP pathway.

01:44:10 Monica Alexander: Wow! That would be fantastic Renee!!!!

01:44:21 Rebecca Farley: Great idea - livestream talks with credentialed teachers/administrators during EDUC courses!

01:44:42 Kathleen Boddicker: YES! Excellent idea, Renee!!

01:45:12 Michael Wickert SWC: Renee, I like having statewide collaboration between students and teachers & administrators. Maybe we can create some sort of speaker series for the semester.

01:46:18 Maureen Powers-Brainstorm Fieldwork: Right, I'm in that boat at Solano. EDU cancelled for Fall. I would love to be involved in brainstorming how to get admin on board. The biggest block is that superintendents are in crisis mode so the MOU isn't getting written.

01:46:53 Maureen Powers-Brainstorm Fieldwork: *signed

01:47:36 Janis Perry: ACCCTEP has a statewide structure for CoPs that could facilitate much of the ideas coming out of the EDUC breakout. Michael Wickert - you had that idea for these Regional Groups ...and ACCCTEP is set up to facilitate this information and idea sharing.

01:50:01 Kim Barker: The Student Handbook is a brilliant idea!

01:50:44 Janis Perry: We just need volunteers from each Region to participate...a letter went out two weeks ago...ACCCTEP can send the Regional Structure info out to everyone on this meeting so that each of you can know which Region you are in and where you can seek support. It seems less important now since we can easily meet statewide by zoom, but ad we go back to face to face these smaller communities of regional practice

01:50:44 Renee Marshall: This is a GREAT document written by Mike Mansfield

01:50:56 williamvasey: Most districts I know would welcome access to tutors with some stamp of approval from others (CCCs). An on going COP that begins to think beyond the immediate crisis will be great support for the participants and is likely to help systems act as a whole, and not just as separate institutions.

01:51:41 Renee Marshall: Love that idea William
