00:15:07 Naomi Castro: Are CSUs still accepting alternative fieldwork?

00:15:40 Kathleen White: Yes... no changes to my knowledge Naomi...

00:17:01 Dr. Alma Cortes (she/her/ella): I don't see the memo in the chat

00:17:03 Leticia Rojas (she/her/hers): Hi folks! Hope everyone is safe and healthy.

00:19:19 Nancy Hurlbut: Thank you Renee - I was able to open the pdf

00:19:19 Renee Marshall: <http://teacherprepprogram.org>

00:19:38 Renee Marshall: We will add the letter from Dr. Ferrer to the website above.

00:20:47 Renee Marshall: Please note: CSUs plan to reopen all 23 campuses in fall 2021

00:20:56 Megan Kaplinsky: UC as well I do believe

00:21:33 Renee Marshall: Yes! UC announced yesterday I believe

00:21:37 Bill Vasey: Do pay attention locally. Large school districts will be in the news, rural not as often

00:23:45 Renee Marshall: Master Plan for Early Learning and Care

00:23:52 Bobby Becka: I've added the Ferrer memo under the CA Education Fieldwork CoP meeting - Kick-off/Planning meeting for 2021 tab at: <http://teacherprepprogram.org/events-and-calendar/ece-and-edu-communities-of-practice-cop/>

00:24:38 Renee Marshall: Thank you Bobby!

00:25:54 Megan Kaplinsky: Kathy, is there a document that you suggest we check about apprenticeship?

00:26:18 Nancy Hurlbut: Oh Congratulations Kathleen

00:26:34 Cheryl Johnson: Congratulations, Kathleen!!

00:26:43 Megan Kaplinsky: Thank you Kathleen!

00:26:43 Kisha Parchele Williamson-Champion: Congratulations, Kathleen!!!!

00:26:58 Renee Marshall: <https://www.eventbrite.com/e/a-higher-education-response-to-the-early-childhood-master-plan-tickets-132483605029?aff=ebdssbonlinesearch>

00:27:00 Nance Nunes-Gill: Congratulations and thank you for all you have done in our field.

00:27:13 Monica Alexander: Congrats!

00:27:13 Shannon Turmon: Thank you for your amazing leadership and support Kathleen! Congratulations!

00:27:45 Peggy Dodge: Yay Kathleen

00:28:31 Nancy Hurlbut: You might check with Randi Wolff on apprenticeship -she has done a lot of work on this

00:29:15 Peggy Dodge: TK expansion does not have universal support. The HE response meeting on January 21 will be a good place for us to dialog about the proposals both for universal TK and pre-TK for 3 year olds.

00:30:31 Kathleen White: Thank you everyone! I will be "volunteering" in the Spring ... and working on small projects after July 2021! So excited!

00:30:39 Naomi Castro: Thanks everyone - double booked so I'm hoping off. So much love and appreciation for this group

00:30:45 Claire Boss: Students are placed in community agencies. Number of students is low.

00:30:54 Claire Boss: Registered in courses

00:31:05 Renee Marshall: Randi Wolfe/Apprenticeships: randiwolfe@ecepts.org

00:31:13 Renee Marshall: Thanks Naomi! Great to see you!

00:31:24 Kathleen White: And yes... Universal TK needs to be further discussed and many things need to be worked out...

00:32:12 Nance Nunes-Gill: We have our MOU's for under normal circumstances but the programs/school districts are currently not allowing students in the classroom nor in many cases online working with the teacher.

00:32:29 Megan Kaplinsky: Same here, Nance

00:34:06 Kathleen White: Yes... throughout our region our students are utilizing ZOOM observations and virtual work. Most schools are not letting students in or are online only..

00:34:27 Nancy Hurlbut: I will sign off and ccome back on

00:34:38 Veronica Allen: At LAMC (in LACCD) we do not have formal MOUs. Student are still volunteering (in virtual classrooms), not face-to-face placements are allowed by our district. Employed students are able to do their fieldwork as TAs

00:34:53 Leticia Rojas (she/her/hers): I plan on having two options for students—either the alternative assignment or an option to work with a teacher in virtual platform (same as Fall)

00:35:08 Veronica Allen: At LAMC (LACCD) the sense is continue virtual fieldwork for spring 2021

00:35:44 Kathleen White: Go Angela and DVC!

00:37:10 Kathleen White: That is a great idea... attending student meetings for hours.. CFT has a student future teacher chapter... they coordinate activities and talks. Those hours would be valuable..

00:37:17 Kisha Parchele Williamson-Champion:OCC lab school has received money from the campus to purchase NEW cameras and update the observation system that will allow students to observe virtually and other classes to view what is happening in the classroom

00:38:31 Dr. Alma Cortes (she/her/ella): I would appreciate a later afternoon time very much since I am often helping my daughter with zoom school in the mornings.

00:38:50 Megan Kaplinsky: We can share our group's poll response to when they would be available to meet this spring soon.

00:39:22 Veronica Allen: At LAMC we are trying to purchase ATLAS with a video library of pre-recorded lesson implementations of NBCTs

00:39:25 Megan Kaplinsky: If you haven't taken the poll, you can here...

00:39:27 Megan Kaplinsky: <https://forms.gle/spiJ1hbdDeArTfMF9>

00:39:31 Kisha Parchele Williamson-Champion: We also turned the adult classroom into a preschool classroom so that the Lab School can separate their class and the children

00:42:46 Leticia Rojas (she/her/hers): Is everyone using different logs—is there a standard template you all are using?

00:44:10 Veronica Allen: I thought the CSUs accepted a C or better in the Educ courses, is this not accurate? An A or B is required?

00:44:20 Shannon Turmon: I am using a log that was signed off by my CSU. There is an example within the Canvas Commons course.

00:44:22 Megan Kaplinsky: CSULB requires A/B

00:44:50 Kathleen White: Our CSU's up in the North accepts a C or better..or even a PASS/CR..

00:45:08 Megan Kaplinsky: It's good that we have clarified this. It seems to be up to each CSU

00:45:13 Angela Bever: Early Fieldwork Zoom Schedule Sign-up

00:45:16 Angela Bever:
https://docs.google.com/document/d/1O0knvWy1UovKSbepAgF49xpDpDc_K41VS8KCEMU3gvE/edit?usp=sharing

00:45:19 Veronica Allen: Huh! I better check with my local CSUs

00:45:53 Carol.Gossett, Ed.D - FPU: Nancy, I would really like to schedule a meeting with you to go over the details of how you are delivering practicum online. We are setting ours up now and would love your guidance!

00:46:00 Shannon Turmon: It does seem to be up to each CSU. My students do not pass the course if their 45 hours are not completed.

00:46:44 Leticia Rojas (she/her/hers): Yes, I've noticed that those who are doing virtual work with teachers are doing more than they did when in person. Attending PD's, leading lessons, etc.

00:46:49 Veronica Allen: @Shannon, same for my campus. I cannot issue any grade without the 45 hours completed

00:47:13 Leticia Rojas (she/her/hers): Thank you for that!

00:47:32 Nancy Hurlbut: Sure Carol but we need to include the faculty who are teaching it as they know what they are doing better than I. I will work with them and set up a doodle for us to meet.

00:49:04 Carol.Gossett, Ed.D - FPU: Nancy, this will be so appreciated! Carol

00:49:32 Hoa Pham: @Veronica, the required hours are 54 but I know many colleges that are completing 45 hours. Where did that number come from?

00:49:55 Renee Marshall: The 45 hours comes from the CID

00:50:11 Hoa Pham: @ Renee, thank you!

00:50:31 Heather Bradford: I would like the stackable certificates and apprenticeships.

00:50:34 Leticia Rojas (she/her/hers): My school also had 54 hours and I revised it to 45— not sure where 54 came from.

00:50:51 Kisha Parchele Williamson-Champion: Maybe it could be a panel of 3 or 3

00:51:02 Kisha Parchele Williamson-Champion: or 4

00:52:19 Megan Kaplinsky: Here is the Canvas Commons 2.0 update. The link is: <https://lor.instructure.com/resources/cca8a6a0770a461c826b34af0e4b6dfe?sha=red>

00:52:54 Nancy Hurlbut: I like stackable curriculum

00:52:56 Kathleen White: The apprenticeship EDU COP could be offered in two levels... what we need and then what resources are available and what is missing...

00:54:13 Hoa Pham: @Renee, I just read the CID you sent and I do not the required hours on the document.

00:54:36 Renee Marshall: Check under General Description

00:54:45 Veronica Allen: @Megan! Agreed. I did not watch all 45 hours of alternative videos for studentrts. I found some and watched them. Then used videos suggested in the Educ Canvas Commons

00:54:47 Renee Marshall: This course introduces students to the concepts and issues related to teaching diverse learners in today's contemporary schools, Kindergarten through grade 12 (K-12). Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues, California's content standards and frameworks, and teacher performance standards. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in public school elementary classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher.

00:55:35 Heather Bradford: certificates and apprenticeship

00:55:36 Hoa Pham: @Leticia, 54 hours is on our college's COR for chancellors office, we also do 45 hours but I am trying to justify to new faculty.

00:55:38 Kathleen White: Some of us have practicum as a sep. class... the videos work for practicum, work experience, internship support as well.

00:57:16 Megan Kaplinsky: Absolutely.

00:57:29 Kathleen White: I think with the teacher shortage, an element of virtual practicum is here to stay. We may want to explore how keeping some of the virtual offerings make sense... especially for students with transportation and access issues..

00:57:31 Megan Kaplinsky: If you are a member of ACCCTEP, they provide technical assistance to programs, especially newer ones.

00:57:33 Sandra Frisby-FPU: Great idea!! Best Practices!!!!

00:57:36 Veronica Allen: Our TPP group has been discussing that

00:57:42 Kim Barker: That is an amazing idea Leticia!

00:57:58 Kisha Parchele Williamson-Champion:@Leticia -- I would agree and in the same boat as you

00:58:02 Kim Barker: Yes, Megan!!

00:58:43 Peggy Dodge: I second Leticia suggestion. As an ECE program coordinator just being tasked with EDUC, I would love discussion and mentoring

00:58:46 Kim Barker: Yes!

00:59:14 Kathleen White: OOOOGGGGGG

00:59:37 Carol.Gossett, Ed.D - FPU: YES great suggestion Renee!

00:59:52 Kathleen White: Everyone can view a few...

01:00:03 Kisha Parchele Williamson-Champion:It would be good to know how many other programs are "new" or getting started

01:00:20 Megan Kaplinsky: I agree, Kisha

01:00:29 Bill Vasey: Great idea.!

01:00:37 Renee Marshall: Kisha- we can absolutely spend time on getting started/new programs

01:00:39 Kisha Parchele Williamson-Champion:@Leticia- let's connect kwilliamson9@occ.cccd.edu

01:00:56 Kisha Parchele Williamson-Champion:Orange Coast College

01:01:03 Leticia Rojas (she/her/hers): Yes, although not always new programs, but more new people. Or revamping an existing program

01:01:09 Leticia Rojas (she/her/hers): Thank you Kisha

01:01:09 Renee Marshall: Yes!!!

01:01:47 Hoa Pham: @Leticia and Kisha, yes new people who want to know why

01:02:15 Renee Marshall: How can we find NEW EDU faculty?

01:03:17 Leticia Rojas (she/her/hers): I would like a combo

01:03:17 Kisha Parchele Williamson-Champion:Combination!

01:03:20 Bill Vasey: Combination!

01:03:23 Melissa Kent: Fresno City has a minimum of 60 hours requirement.

01:03:59 Veronica Allen: Can we do a poll

01:03:59 Kisha Parchele Williamson-Champion:Thursdays are not good for PEACH members

01:04:01 Nancy Hurlbut: not the third Thursday of the month

01:04:19 Melissa Kent: Are there any other CCC's that require over 45 hours?

01:04:41 Peggy Dodge: Are any of your colleges revising their DE instructor qualification protocols in light of the semesters of online we are all teaching? Our current qualification protocol requires a certification and an assessment of a course. The certification is intense and a barrier to many. Are there others who are thinking about credit for prior experience for DE instructors?

01:05:43 Hoa Pham: @Melissa, some colleges require 108 hours; it is related to the units

01:06:04 Kathleen White: CCSF has a practicum with a 90 hour req. for EDU..

01:06:57 Melissa Kent: FCC has 2 separate classes to fulfill the C-ID EDUC 200

01:07:10 Melissa Kent: EDUC 30: Intro. to Teaching (3 units)

01:07:17 Veronica Allen: At LA Mission College, faculty need to get DE certified with an actual training course. I believe it was required to begin Spring 2021

01:07:20 Kim Barker: We are in that very transition right now.

01:07:23 Nancy Hurlbut: Thank you for the meeting. I have to go to another meeting

01:07:24 Melissa Kent: EDUC 19/19x: Co-Op work experience (1 unit)

01:07:28 Kathleen White: Correct... we also now need an intensive DE training as well..not just the 3 week training we had last summer..

01:07:57 Renee Marshall: Thanks Nancy!

01:08:01 Kim Barker: Check out @one. They have free four week trainings that culminate.

01:08:08 Kisha Parchele Williamson-Champion:My college is requiring the additional certification by Summer 2021

01:08:16 Veronica Allen: LACCD required @One also

01:08:20 Melissa Kent: Our students need to complete both EDUC 30 + EDUC 19/19X to receive credit for C-ID EDU 200

01:08:33 Megan Kaplinsky: I wonder if my college will have this "coming soon" or if it was already done.

01:08:41 Veronica Allen: At first, it was only @One training for certification, now there is an alternative with a district training

01:09:08 Peggy Dodge: I believe it is a district decision. I want to help influence our district through the academic senate and could use some help

01:10:01 Kathleen White: It would make sense to have a hybrid available based on the fact that many of us “learned by doing” under great stress!!! It is a District decision...

01:10:03 Megan Kaplinsky: yes, we had that as well

01:10:45 Sandra Frisby-FPU: Thank you!

01:10:49 Veronica Allen: Thank you ALL
