

TEACH LARC Presents

Backyard Life Science Experiences for Future Scientists

This workshop will give you an insight into STEAM exploration for young children emphasizing life science and math. Learn and see how you can bring rich, hands-on, relevant and real life experiences for young learners from your backyard to the classroom.

Presenters: Prof. Rokeya Rahman & Nancy Duran
CFES Dept. East LA College

Date: May 9th, 2022

Time: 6:30 PM
