

# Audience of One

Reimagining education through an equity mindset

Presented by: Lisa M. Wilson

A large, stylized pink quotation mark opening on the left side of the text.

Every child is  
unique  
therefore  
their  
education  
should be also.

-Jeannie Fulbright-

A large, stylized pink quotation mark closing on the right side of the text.

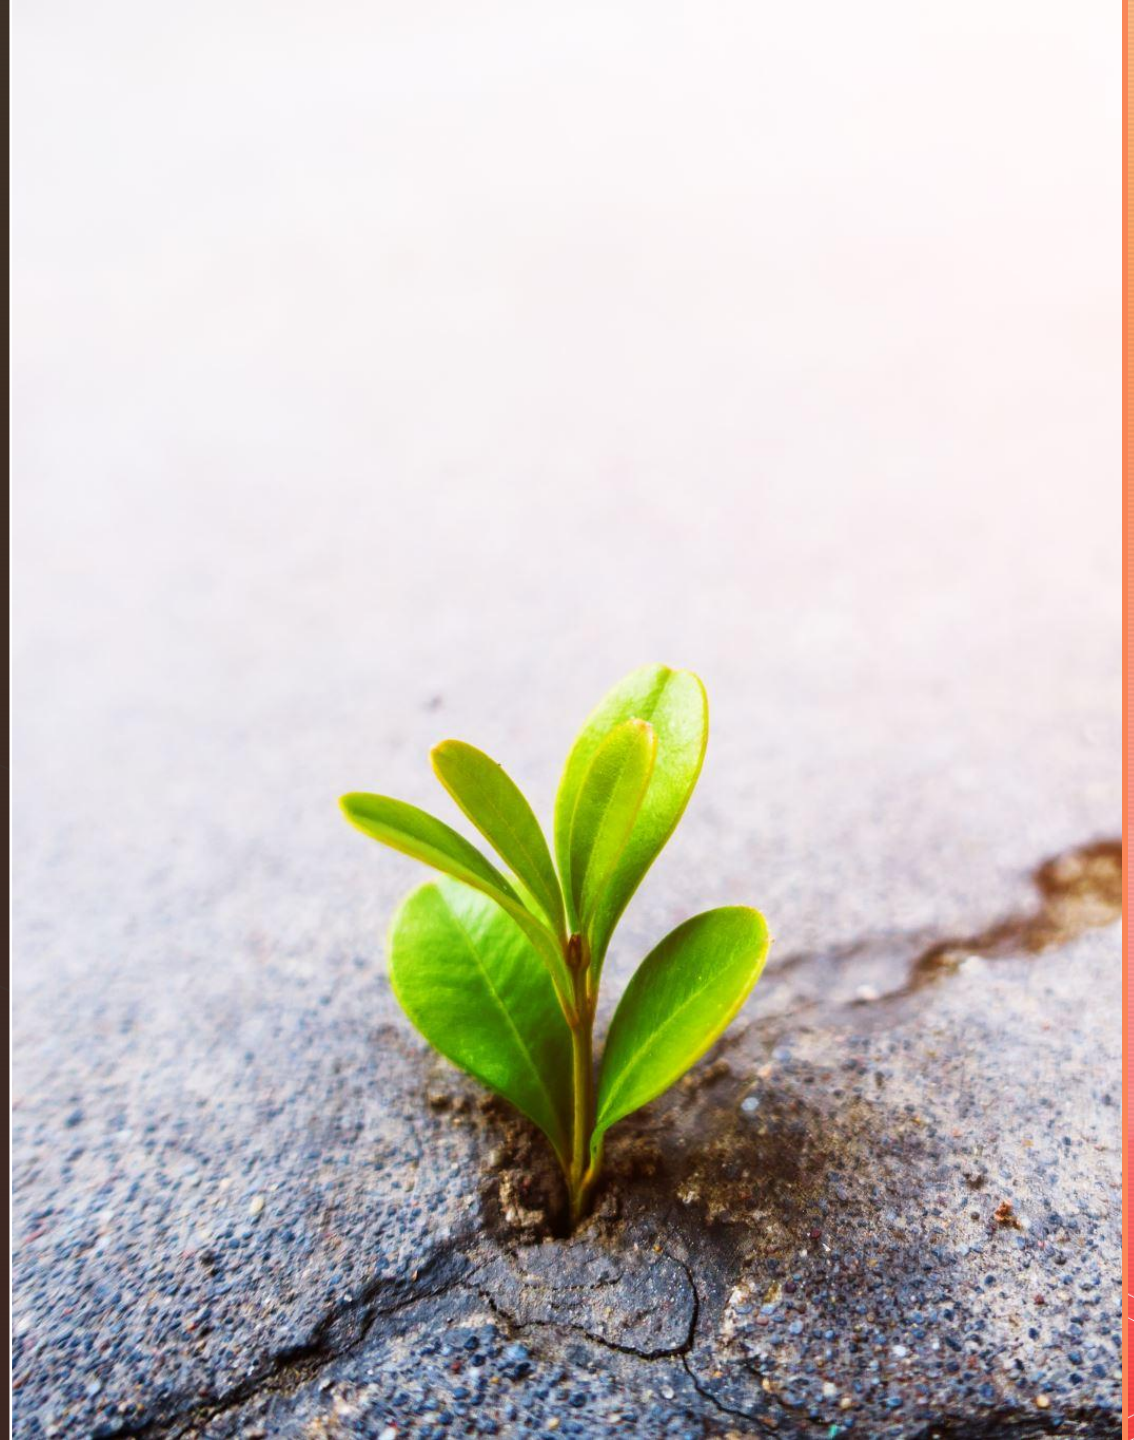

- What brought you here?
- What will keep you here?
- What do you envision for the future of education?

# Potential

- What is potential?
- The capacity to build, retool, reskill, skill up
- What is the level of involvement for(our) students?
- What is the commitment level for our students?

# Equity

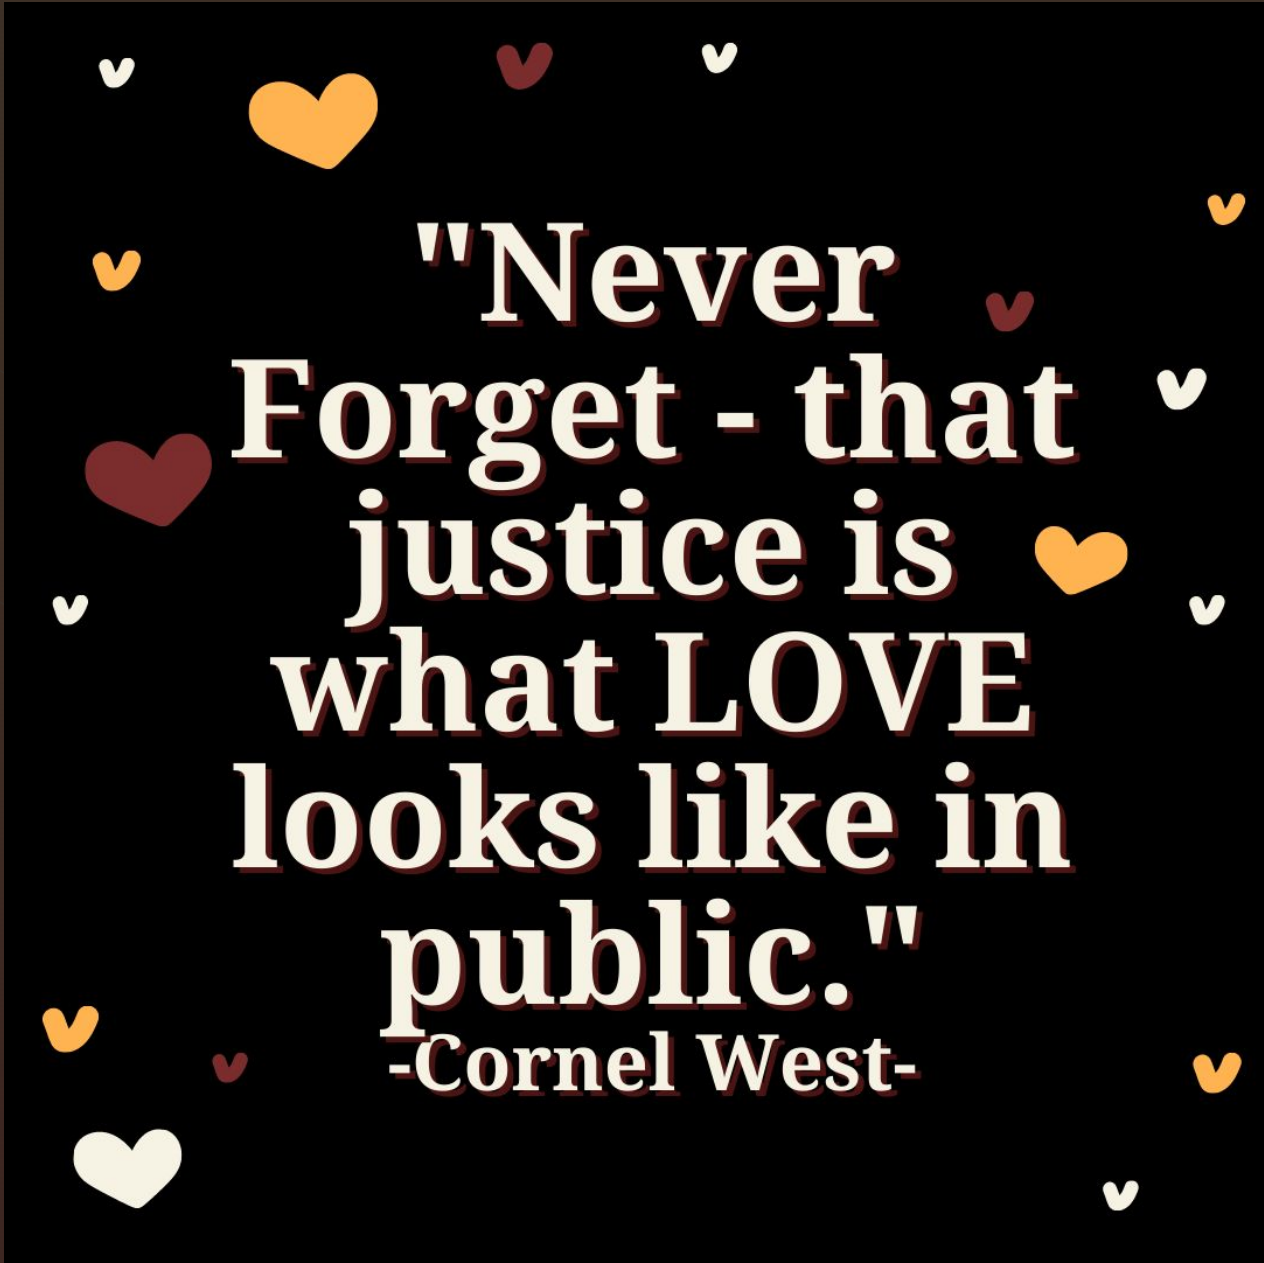

Providing spaces,  
resources, and  
opportunities to  
ensure each person is  
able to reach their  
highest life potential...

## Stay Inspired

"Never  
Forget - that  
justice is  
what LOVE  
looks like in  
public."

-Cornel West-
