11:24:15 From Michael Wickert to Everyone : Kisha, this is great. Drs. Wood and Harris at SDSU are such great advocates for often-ignored populations

11:26:33 From Kisha PW Champion to Everyone : @Michael -TY

11:34:05 From Kisha PW Champion to Everyone : ABSOLUTELY!!!

11:34:56 From Kisha PW Champion to Everyone : It is important to look at ratios, group size, etc.

11:35:05 From Nadiyah Taylor, She/Her to Everyone : And I have a concern about the focus on "preschool" and not "child care" - it creates a dangerous message

11:35:07 From Kathleen Boddicker to Everyone : Great point, Renee!!

11:35:15 From Nadiyah Taylor, She/Her to Everyone : @Renee - yes!

11:37:52 From Steve Bautista to Everyone : here's the agenda for those who arrived after we started

11:37:59 From Michael Wickert to Everyone : When I taught kindergarten years ago I quickly had to learn that kinder is an extremely intense, hands-on style of teaching. And we all know that anyone who has never taught young children think it is just playtime because they do not understand what actually occurs in those classrooms.

11:38:27 From Nadiyah Taylor, She/Her to Everyone : Yes @Kisha! My sister in law just had a school district ask if they had assigned someone to TK but they never actually taught in TK can they be grandfathered in (to not meet 24 units)

11:39:03 From Alice Hale to Everyone : I am concerned about experienced ECE teachers getting left behind by this development because they don't have a credential.

11:39:22 From Nadiyah Taylor, She/Her to Everyone : Yes @Alice

11:40:08 From Renee Marshall to Everyone : Agree Michael!

11:40:29 From Marini Smith to Everyone : Marini Smith, West LA College

11:40:34 From Renee Marshall to Everyone : Alice- I agree 100% and am concerned about this as well.

11:41:08 From Nadiyah Taylor, She/Her to Everyone : so important Kathleen!

11:41:19 From Kisha PW Champion to Everyone : @Kathleen -- yes! This bring the question about Full Day TK or even Kindergarten as well. Supporting the family needs

11:41:22 From Alice Hale to Everyone : Kathleen, yes, a huge issue!

11:41:29 From Lorraine Slattery (she/her) to Everyone : Yes—DAP gets lost in so much of this.

11:41:33 From Renee Marshall to Everyone : Where are the investments in extended care?

11:41:50 From Renee Marshall to Everyone : DAP - SO true Lorraine

11:41:51 From Marini Smith to Everyone : Great points, Kathleen! This can become even more complex when you consider DAP...

11:41:56 From Shannon Turmon to Everyone : The ASP's in my area have been working on creating some great plans. I have been please with how proactive they have been. I am training my ED students now to support all levels with the new developing curriculum.

11:43:09 From Kisha PW Champion to Everyone : @Shannon - That sounds great! TY

11:43:52 From Alice Hale to Everyone : The CoPs have been invaluable to our faculty over the last year.

11:44:05 From Kathleen White to Everyone :
<https://www.asccc.org/sites/default/files/Resolutions%20Spring%202021%20Adopted%20Resolutions.pdf>. Pages 35/36

11:44:21 From Rosemary Wrenn (she/hers) to Everyone : We all do better in community!

11:46:19 From Kisha PW Champion to Everyone : @Nadiyah- unfortunately, some districts have a go-around with the 24 units. I am aware of some districts have done that and had to back paddle. The background of family engagement, development and theory is critical.

11:46:36 From Steve Bautista to Everyone : If you arrived after we started, please put your name, position, and college in the chat

11:46:50 From Shannon Turmon to Everyone : Shannon Turmon West Hills College Lemoore

12:01:16 From Nadiyah Taylor, She/Her to Everyone : Thank you

12:01:52 From Kisha PW Champion to Everyone : @Dr.Wrenn- some of the best practices in Diversity training and coaching is to have a team of 2: POC and White person. Team teaching could be a great way to go

12:02:05 From Kim Barker to Everyone : Objectives?

12:02:31 From Kathleen White to Everyone : An update also on the ECE/EDU Academic Senate Resolution, CCC Academic Senate President Dolores Davison will be assigning resolution follow up to AS leads on June 4th. Once we have the assignment list, we need to follow up with the faculty assigned to our RESOLUTION to ensure that our sector is lifted in those meetings... we need to all work on this!!

12:02:38 From Veronica Allen to Everyone : Veronica Allen LA Mission College (CD/EDU Faculty), Chair-Elect

12:04:34 From Nadiyah Taylor, She/Her to Everyone : Do you know what the min quals for this course would be? Team teaching seems so important - curious is someone with an MA in Human Development + someone with a background in Ethnic Studies could team teach?

12:04:44 From Lorraine Slattery (she/her) to Everyone : @Kathleen—YES—keep the pressure on the AS statewide committee. It will most likely be assigned to the CTE committee so as soon as that is announced e-mail that person and perhaps send out a template e-mail that we can all send to the committee. Advocacy works ;)

12:05:12 From Cherie Moore to Everyone : We are in the hiring process now, hiring for the Ethnic Studies discipline. -Cherie Moore, Cuesta College Applied Behavioral Sciences Chair

12:06:58 From Kisha PW Champion to Everyone : Some of this "journey" is similar to the discussions and dialogue that happened and still happening with the Teaching Children in a Diverse Society at the CCC.

12:07:31 From Nadiyah Taylor, She/Her to Everyone : Yes @Kisha

12:07:46 From Kisha PW Champion to Everyone : It is also important to consider the conversation around Diversity, AntiRacism, Anti-Bias etc.

12:08:29 From Kisha PW Champion to Everyone : Yes! Dr. Wrenn

12:09:00 From Cherie Moore to Everyone : Hi, mine was not a question. It was adding clarity. Rosemary is in our division. Thanks!

12:09:32 From Patty Hall to Everyone : Cañada College is hiring an Ethnic Studies faculty member and has approved a full range of Ethnic Studies classes that are already CSU approved. Any new coursework will be developed by the Ethnic Studies expert. We won't be retrofitting.

12:10:15 From Kisha PW Champion to Everyone : @ Dr. Wrenn - Thank you for your passion!

12:10:53 From Tony Ayala (he/him) to Everyone : I also appreciate your engagement!

12:11:43 From Tony Ayala (he/him) to Everyone : That is also our barrier. We cannot staff the classes that are needed to be taught.
