

Chat Notes - Closing Session, 18 August: *Bringing Education Systems Together to Strengthen California's Teacher Workforce Conference*

00:39:28 Renee Marshall: I don't think so but I am not 100% sure. I think there may be gaps.

00:39:53 Renee Marshall: Sorry everyone- I had a private question and answered all :)

00:45:02 Rebecca Roth: Did he say 24 children to 1 teacher?? No change in ratios?

00:48:48 Malia Villarreal - CA Teaching Fellows: Where can we find the grant timelines?

00:49:08 Eva Acosta: How do we get these slides?

00:49:13 Rebecca Roth: That's awesome!!

00:49:20 Rebecca Roth: or... better:)

00:50:30 Eva Acosta: Thank you 😊

00:54:53 Steve Bautista: I am currently working on a task force that includes CCC and CSUs to work on recommendations to help operationalize the BSR waivers across both systems.

01:00:46 Veronica Allen: Listening to this presentation more than once will be helpful

01:02:25 Steve Bautista: The CTC did a webinar on the BSR and the video is posted on their webpage. Very helpful and detailed!

01:03:10 Sasha Horwitz: BSR Add'l Resources: <https://www.ctc.ca.gov/credentials/options-bsr>

01:16:20 Renee Marshall: That quote hit me hard

01:21:42 Patricia Schmolze: You are a wonderful panel! Thank you so much. I am sorry I have to leave just now. Thanks again! Be well!

01:22:08 Renee Marshall: We spend so much time thinking about pathways...what about pathways for student-parents? What resources do our students who are parents need from our programs and us?

01:23:02 Lisa Wilson: Great discussion! I have to take my baby to dance class. Looking forward to the recording. Stay lifted, gifted, and blessed ❤️

01:23:45 Renee Marshall: Thanks Lisa!!

01:24:36 Bobby Becka: This morning's session is now posted on the statewide CCC-TPP website, and this one will be a.s.a.p.: <http://teacherprepprogram.org/events-and-calendar/statewide-conference-2021/>

01:27:32 Rebecca Roth: I had the same issue and really, no one would have know but I asked for a donation of a rocking chair for my storage room next to my classroom, for a nursing mother:). So frustrating!!

01:29:49 Eva Acosta: Sorry I need to leave for a college meeting. Great hearing the students' voices.

01:30:14 Renee Marshall: Great to see you today Eva! Have a great night and hope to see you Friday!

01:30:49 Bill Vasey: If we say we 'own student performance" how flexible are we willing to be to support success?

01:31:12 Yadira Arellano: Exactly Bill great point

01:31:43 Rebecca Roth: I feel that when we have children in the classroom, it enriches the experience and if nothing else, we model compassion!! Can we change this?

01:32:20 Rebecca Roth: For me, it depends on administration:(

01:33:22 Renee Marshall: Agree- my admin used to blame it on the legal department. "No kids here...legal doesn't allow it" (and yet we taught in a building with 7 preschool classrooms?!?!)

01:33:42 Bobby Becka: @Berenice... you became a mentor to others once you had been positively mentored 💕

01:33:47 Bobby Becka: Yadi is THE best

01:46:37 Bobby Becka: Yes, "she's a pusher" 😂

01:47:45 Renee Marshall: "All you need is 1 yes"
