00:56:31 mai Ebbets: messed me up!!!

01:01:11 Julie : I'm a freshman at rio Hondo College and I'm taking counseling 101 and that class has helped me so much to be able to look up what classes I'll need to be able to major in Early Childhood Education for transfer and I was able to look up in the school catalog and see what classes I need so I can transfer out

My professor/counselor told me about the website assist.org so yes talking to counselors helps a lot

01:02:09 mai Ebbets: Thank you!
