

### Chat Notes – CCC-TPP Meeting – 29 July 2022

00:14:51 Veronica Allen: Veronica Allen- LA Mission College...Returning to a combination of remote and in person work

00:14:53 Dr. Sharon Chard-Yaron: hi all, i may have to leave early.. time zone isn't great for me today

00:15:11 Kate Williams Browne/Skyline&CTC: hello everyone - Kate Williams Browne, Skyline

00:15:22 Dr. Sharon Chard-Yaron: i'm not sure ... I don't see I have a contract yet!

00:15:31 Megan Bennett: Hi! Megan Bennett, Education lead at Clovis Community College. I'm looking forward to having more f2f classes in the fall!

00:15:44 Megan Bennett: Yay!!!

00:15:46 Rosemary Wrenn (she/hers): Rosemary - Cuesta - part timer, so I don't have a contract yet either...

00:15:51 Cathy Yun (she/her): Hi, everyone! Excited to see partnerships start to develop p-3 programs!

00:16:06 Dr. Sharon Chard-Yaron: but i usually have a contract by april! wondering what this means!

00:16:19 Kate Williams Browne/Skyline&CTC: woops, we are returning to hybrid evenings and onl, low enrollments still with us but district is allowing lower-caps. Looking forward to starting our ECAP program

00:16:55 Rosemary Wrenn (she/hers): my fully asynchronous EDUC 200 only has 3 spots left and the in-person already has 20 enrolled, so we are actually growing right now!

00:20:58 Veronica Allen: I agree- the campus by campus approach can have too much variance

00:21:44 Veronica Allen: And for instructors that teach a two different CCs- with two different CSU partners...how confusing

00:30:32 Rosemary Wrenn (she/hers): Could our students who are paraeducators already use their para hours?

00:33:18 Cathy Yun (she/her): Yup, +1 Kate

00:35:47 Cathy Yun (she/her): sharing the previous memo is a good strategy

00:38:39 Cathy Yun (she/her): Is this something that the CCC CO can help with? Can they negotiate with the CSU CO? CO to CO?

00:38:41 Kate Williams Browne/Skyline&CTC: thanks Cathy and yes to memo knowledge

00:39:27 Veronica Allen: Agreed- Rosemary. It is the primary factor that affects success in Educ 001

00:39:39 Cathy Yun (she/her): I have to run to another meeting but this was an enlightening conversation. Thanks, everyone!

00:39:53 Renee Marshall: Thanks Cathy!

00:40:10 Kate Williams Browne/Skyline&CTC: what would benefit CSU and CA teacher pipeline? would those be compelling points for the new Vice Chancellor?

00:41:02 Veronica Allen: If each CC needs to contact their own CSU- who do we contact?? Liberal Studies Dept.- or Credential Program? Or College of Education?

00:42:21 Renee Marshall: Good point Veronica

00:43:23 Rosemary Wrenn (she/hers): @Veronica - we do not have any 'official' partners in CSU, so we literally have no way to know whose 'rules' to follow....

00:44:58 Kate Williams Browne/Skyline&CTC: what BA degree programs- is there a common program across CSUs? another hiccup. If we had a list that all EDU AA-Ts and ECE AS-Ts transfer into? this isn't about CA Credential programs, as they are all post-BA, right?

00:45:48 Rosemary Wrenn (she/hers): @Kate - I think those are all good questions that we should pursue. How do we engage in that discussion? I think it is imperative to project (Unfortunately, we need to figure out field experience for this semester)....

00:46:18 Rosemary Wrenn (she/hers): And I thought the 45 hours were part of the hours folks need for their credential.

00:47:08 Kate Williams Browne/Skyline&CTC: Rosemary, we always have great convos! I think it is, too, because if we have CCC programs in EDU and ECE in alliance, it's a stronger voice to CSU. We will have to align

00:47:39 Kate Williams Browne/Skyline&CTC: align with CSUs so all CSU education-related BA programs could benefit

00:47:39 Rosemary Wrenn (she/hers): @Kate - agreed!

00:50:44 Rosemary Wrenn (she/hers): Lea Martinez

00:57:58 Kathleen White: It is important that our CCCCCO system administrators are all advocates. When they are not supportive or aware, they can nix something in consultation.

00:58:24 Kathleen White: Hi Kate!!!

01:08:48 Kate Williams Browne/Skyline&CTC: I am sorry i have to leave at 1:00. Renee please connect w me re Pre-3, and could come there.
