00:13:24 Veronica Allen: Good morning. Veronica Allen- LA Mission College

00:14:07 Veronica Allen: My camera & mic not working- sorry

00:14:37 Renee Marshall: no worries Veronica - thank you for being here!

00:16:50 Laura Manson: Hello from Santa Monica College, weekly coffee date with an 18 month old 😊

00:24:45 Veronica Allen: Are there ways to allow for vouchers- money to give to students as incentives for participating in the pathway?

00:28:45 Veronica Allen: Because I was just speaking with colleagues yesterday who have grants in their areas, and the comment about what students needs for success- the idea that students need money, to make time for them to focus on the classes requirements

00:30:20 Veronica Allen: Yup- free vouchers for culinary

00:31:08 Marini Smith: Enrollment at West is still relatively low and mostly online

00:32:10 Veronica Allen: At LAMC for my dept- we have mixed bag. SOme online class have less than 10 and some online classes have almost 30. Some F2F classes less than 10, some have more than 15. It is mixed

00:32:17 Veronica Allen: BUt- yer overall enrollment is low

00:32:45 Leticia Rojas (she/her/ella): My online classes are filling, my in-person classes are struggling at halfway points

00:32:54 Veronica Allen: ?

00:33:02 Veronica Allen: OMgoodness

00:38:06 Veronica Allen: That sounds like it is what LACCD is calling Hyflex

00:39:14 Veronica Allen: At LAMC we are scheduling hyflex with one class group- two sections (Zoom/F2F) and then students decide which format to attend. The instructor comes in person every day.

00:39:31 Veronica Allen: The problem with that right now, is training for the OWL device and not being pad for two sections

00:48:20 Veronica Allen: A presentation on AB 130

00:48:33 Veronica Allen: From a school district or CTC person

00:51:26 Marini Smith: If we're virtual there isn't much cost for the conference, right? Would that give us more latitude to pay a keynote speaker?

00:54:41 Marini Smith: Great idea, Michael!

00:57:01 Leticia Rojas (she/her/ella): I can possibly bring in Reading Partners

00:57:31 Leticia Rojas (she/her/ella): never mind--they are voluntary-based, not paid

01:00:07 Veronica Allen: FYI- LAMC is having an in person 3-day career exploration camp. It was originally planned for just LAMC students, but we still have about 10 spaces left. It can n ow be open to any community member who wants to matriculate.

01:04:05 Veronica Allen: Current format is fine- 1 time a month. Fridays are probably best

01:04:30 Leticia Rojas (she/her/ella): Current format works for me--Fridays seem to be the more available days for me

01:07:44 Leticia Rojas (she/her/ella): Have to switch over to another meeting--thank you so much!

01:07:50 Renee Marshall: Thank you!

01:12:05 Veronica Allen: Thank you! I have a meeting with a principal. Thank you everyone

01:12:17 Renee Marshall: Thank you Veronica!
