13:08:04 From Steve Bautista to Everyone:

We have asked for them to discuss and provide solutions. They did not review at their summer meeting, but hopefully in their fall meeting.

13:10:36 From Michael Wickert to Everyone:

I teach my EDUC 200 course at night, so all of my students work during the day. Completing the 45 hour requirement is already difficult enough. Covid has added an additional barrier.

13:12:15 From Rosemary Wrenn (she/hers) to Everyone:

@Michael - exactly! My course is asynchronous. Most of my students work during the day. They literally cannot afford to take time off from their jobs.

13:13:14 From Megan Kaplinsky to Everyone:

Great meeting. I have to go to soon to run an online orientation with students. I look forward to the recording of the rest of this meeting.

13:13:18 From Michael Wickert to Everyone:

@Rosemary- you are so correct. I had to do the same thing when I worked my way through college. It adds an additional cost through lost wages.

13:13:26 From Renee Marshall to Everyone:

Thanks Megan!

13:13:50 From Kathleen White to Everyone:

See you Megan!

13:13:55 From Rosemary Wrenn (she/hers) to Everyone:

I would like to see CA find a place in the budget to provide stipends for student teaching and observation.

13:14:50 From Michael Wickert to Everyone:

Fortunately, I have been in education long enough to know some people who have become board members in local districts. So they are able to help facilitate conversations with districts.

13:14:51 From Megan Kaplinsky to Everyone:

Steve, will this happen soon?

13:15:04 From Marini Smith to Everyone:

Yes. when will this take effect?

13:15:59 From Michael Wickert to Everyone:

Steve do you have a document you can share with that information?

13:16:37 From Michael Wickert to Everyone:

Thanks

13:19:07 From Rosemary Wrenn (she/hers) to Everyone:
